

ISO/IEC 27001:2013 CERTIFICATE CONTINUANCE LETTER

Administrate Limited
Attention: Troy Michels
3 Lady Lawson Street
Edinburgh, EH3 9DR
Scotland

To the Management of Administrate,

With reference to the certificate dated March 9, 2020 against the ISO/IEC 27001:2013 standard, Coalfire ISO, Inc. has completed its review and validated that the surveillance audit completed by our Lead Auditor as of March 3, 2020, constitutes the continuance of the certificate by the certification body. As a result of this assessment, Coalfire ISO, Inc. retains its assurance that the certified management system at Administrate fulfills the requirements of the ISO/IEC 27001:2013 standard.

If more detailed procedures were performed, the assessment conclusion may have revealed issues that this engagement did not identify. The procedures and findings described within our audit report contain an inherent element of risk due to these limiting factors.

We appreciate the cooperation and assistance provided to us during this audit cycle. If you have any questions concerning the content or approach demonstrated within this report, please feel free to contact Jimmy Dilz at Jimmy.Dilz@coalfire.com.
